Dear Anita,

Well, school is finally over and I'm going to have a great summer. I'm going to the beach every day and the pool every night. I'm going to have more fun this summer than I've had in my whole life. (Except maybe 9th grade.) But I'll miss you anyway.

① Earn money
② Lose weight
③ And maybe better time.

10-speeds.

Love, Anita

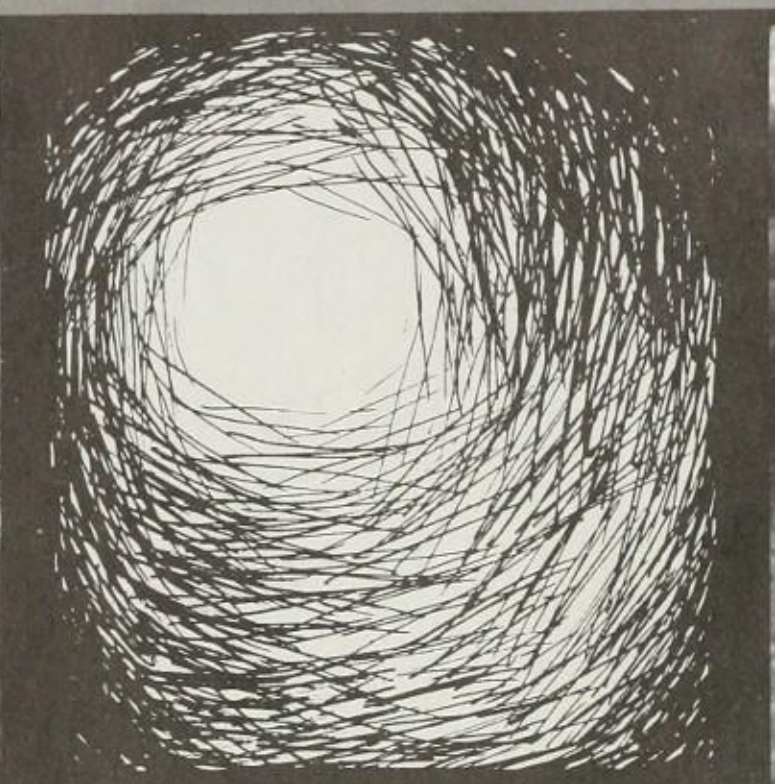
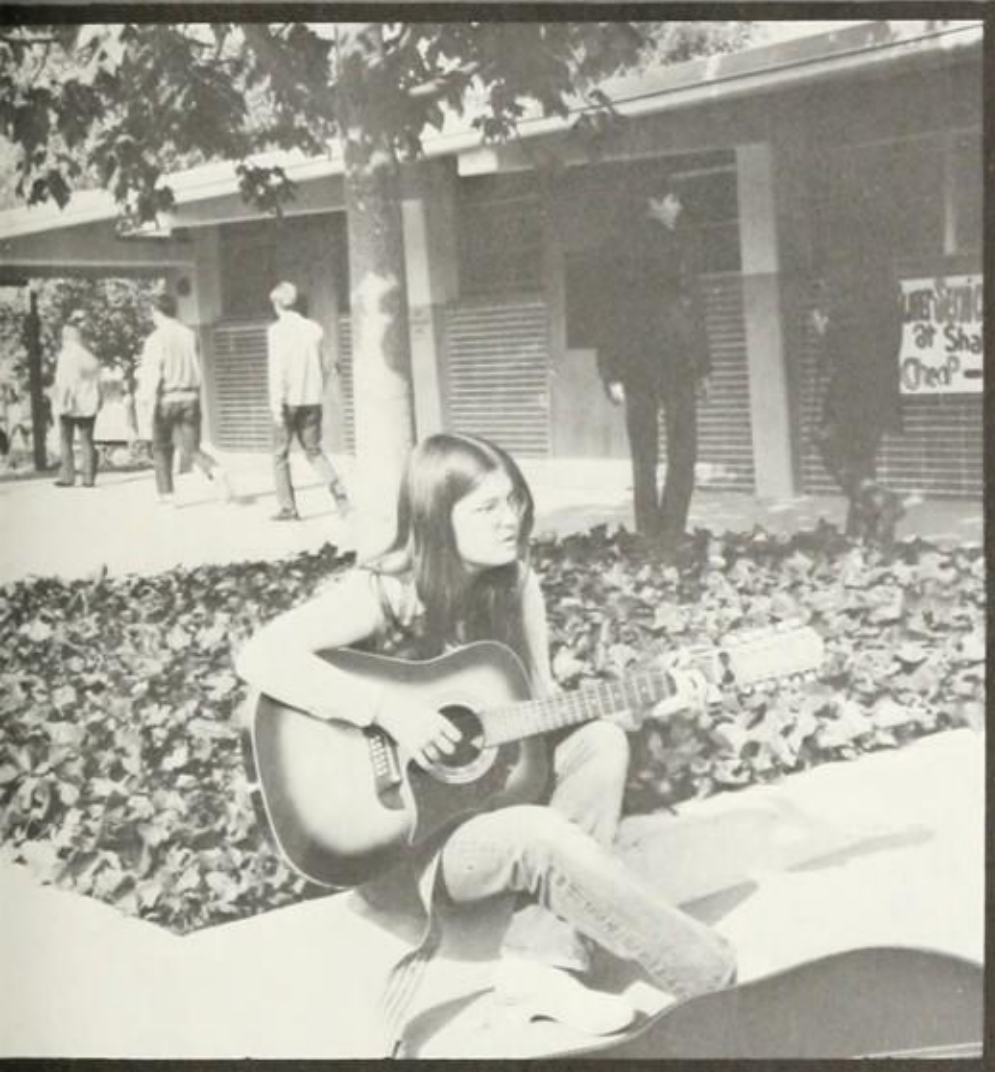
Keep Smiling

There are those who are beings
Complete unto themselves
Whole, undaunted,-
A source as leaves of grass,
As stars, as mountains, alike,
Alike yet unalike.
Each is complete and contained
And as each unlike star shines. . .





Each ray of light is forever gone
To leave way for a new ray
And a new ray, as from a fountain
Complete unto itself, full, flowing
So are some souls like stars
And their words, works and songs

The twig is so easily bended,
I banished the rule and the rod!
I taught them
The goodness of knowledge,
They taught me the goodness of God.
My heart is the dungeon of darkness,
Where I shut them
For breaking a rule;
My frown is sufficient correction;
My tool is the law of the school.

The realities of my life
Are refracted and channeled
Into a thousand fantasies.
Like characters etched
Upon the pages of a fairy tale
We act out our silly parts
Secure in a make-believe setting.
Through our tiny windows,
We watch the world devour itself.
Soon we will leave this shelter
And no longer
Will reality be distorted.
But until then, the future
Is colored with glass of green,
Pink and yellow as we grope
For a tinted truth
Through stained glass windows.

Across the morning sky
All the birds are leaving.
Ah, how can they know
It's time for them to go?
Before the winter fire
We'll still be dreaming . . .
Sad, deserted shore—
Your fickle friends are leaving.
Ah, but then you know
It's time for them to go.
But, I will still be here . . .
I have no thought of leaving.

There is a man by my side walking,
There is a voice within me talking,

Every victory brings another,
Carry it on, carry it on.

Leadership is a word
and a concept
that has been more argued
than almost any other I know . . .
I would far rather get behind
and recognizing the frailties
and the requirements of human nature,
I would rather try to persuade
a man to go along,
because once I have persuaded him
he will stick.
If I scare him,
he will stay as long
as he is scared,
and then he is gone.

It takes a little courage
And a little self-control
And some grim determination,
If you want to reach the goal.
It takes a deal of striving
And a form and stern-set chin,
No matter what the battle,
If you're really out to win.

You must take a blow, or give one,
You must risk and you must lose,
And expect that in the struggle
You will suffer from a bruise.
But you mustn't wince or falter
If a fight you once begin.
Be a man and face the battle;
That's the only way to win.

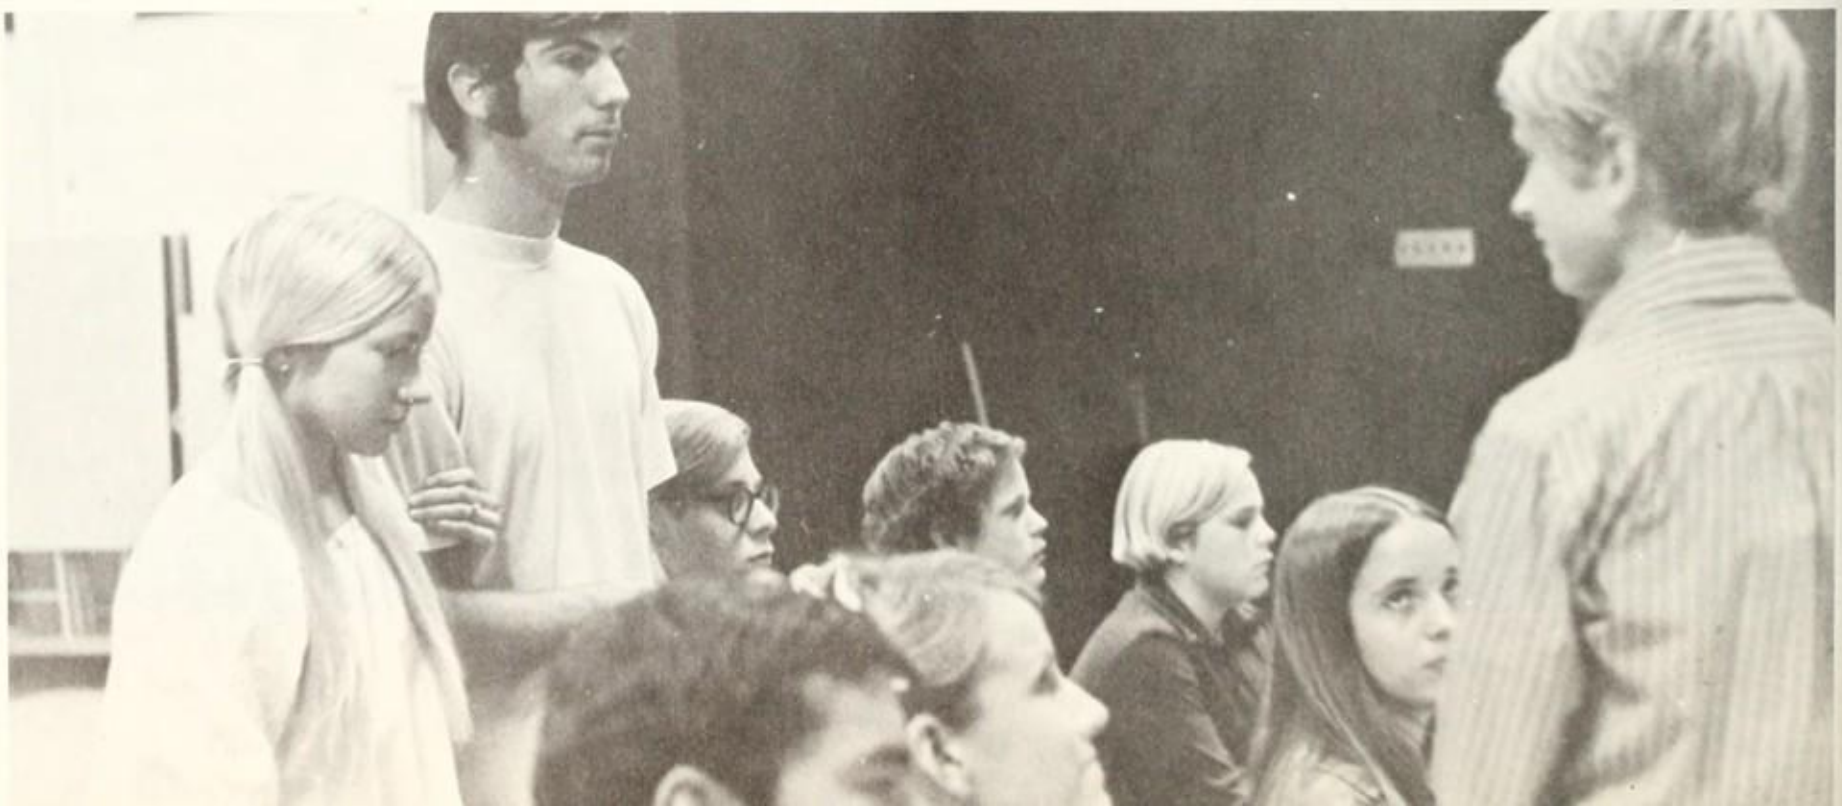
The Lowell High drama production of Thorton Wilder's "Our Town" was Lowell's first play of the year. It was directed by Lee Hollenbeck. The cast wore elaborate costumes from the early 1900's. This combined with expert lighting gave the effect for "Our Town." This play is unique in its own form because it was presented on an open stage with very few props. This lets the viewer use his own imagination. Among the leading roles were:

STAGE MANAGER ..... Doug Whiting
DR. GIBBS ..... Paul Carrillo
MRS. GIBBS ..... Mary Rowley
MRS. WEBB ..... Pat Schumacher
GEORGE GIBBS ..... Scott Thomson
EMILY WEBB ..... Cindy Macy
MR. WEBB ..... John Mills



"You Can't Take It With You" was the second play presented by the LOHS Drama department, March 4, 5, & 6. The plot centered around Alice and Tony. Alice came from an unusual family who understood the meaning of life. They passed this knowledge on to Tony and his father, and it is assumed that Tony and Alice get married.

Cast of Characters:

All theories of what a good play is,
or how a good play should be written, are futile.
A good play is a play
which when acted upon the boards
makes an audience interested and pleased.
A play that fails in this is a bad play.

The main thing about Girls is
that they are beautiful.
No Girl can help being beautiful.
She is beautiful because she is new and simple,
because everything is ahead of her,
because she is so ready to be pleased,
because she does not try to hide the gentleness,
and wonder that are in her,
because she trusts you, because she looks at you
as if she thinks you are nice,
and because when she does, you are.

Money
Workers earn it,
Spendthrifts burn it,
Bankers lend it,
Women spend it,
Forgers fake it,
Taxes take it,
Dying leave it,
Heirs receive it,
Thrifty save it,
Misers crave it,
Robbers seize it,
Rich increase it,
Gamblers lose it...
I could use it.

Anita,

Sorry I didn't get to see you
much this year. You
enjoyed our friendship this year. You
a real sweet girl, and I hope no one
tries to change you and they try - don't
let them. Have a good summer, I'll see
ya next year - for sure in gymnastics!
Glad we got to have some classes to-
gether, hope ya again next year.

Love, Anxiety

* Anita, Been fun
this year. Too bad
we didn't have
a really fun
gym class. Maybe
in gym class next
year we will
have our
own gymnastics
class. Enjoy the
rest of your
summer (Hahaha)

good one.
Hope to see
you next

I'm really glad I've gotten to know you better this year. Whenever you are comin' back from the beach feel free to stop by. In fact I really want you too, Ok? Don't let those boys bite to hard!
